Christmas Tree Cutting Regulations
Bishop Field Office
Benton Range & Bridgeport Cutting Areas

This Christmas tree tag is valid only in the areas shown on the attached maps. Please respect private property and be sure you are on public land when cutting your tree.

Vehicle access for Christmas tree cutting is limited to existing routes. Cross-country vehicle travel to locate or retrieve a tree is prohibited.

You must affix your Christmas tree tag to the tree prior to transportation. The Christmas tree tag must remain on your tree during transport.

Trees must be cut below the lowest living branch and as close to the ground as possible. Please leave a stump no higher than 6 inches after cutting your tree.

Maximum tree height is 12 feet except under special permit.

I have read and agree to abide by these regulations.
