Christmas Tree Special Stipulations

1. This permit must be in your possession while cutting. No other forest products shall be harvested under this permit.

2. Permittee is responsible for knowing where subject BLM lands are located. This permit is limited to BLM Public Domain Lands, which are specified on permit. This permit does not authorize trespass on any other public or private lands.

3. BLM reserves the right to cancel this permit at any time. Failure to follow and comply with the conditions and stipulations of this permit may be cause for its cancellation and/or non-renewal.

4. No new roads or trails shall be constructed. No motorized vehicles are permitted within the harvest area when the ground in not frozen and covered by at least 4 inches of snow.

5. Stumps shall be left no higher than 6 inches above the forest floor, cutting below the lowest live limb. Slash and unused portions of harvested tree shall be cut up, scattered, and left no higher than 18 inches above the forest floor. No slash shall be left in or where it may accumulate in any bodies of water, and all slash must be removed to a point at least 25 feet from existing roads and/or trails.

6. Disturbance or destruction of any raptor (eagles, hawks, falcons, owls), raptor nest, or nest tree is prohibited. If permittee locates a suspected raptor nest, report it to BLM Eastern Interior Field Office at 907-474-2200, BLM_AK_FDO_EIFO_GeneralDelivery_Grp@blm.gov. All activities authorized under this permit shall cease until the Authorized Officer gives clearance to resume harvest activities.

7. Discoveries of any cultural resources (e.g., house pits, old cabin structures) or paleontological resources (e.g., bones, shells) shall require permittee to notify the BLM Eastern Interior Field Office at 907-474-2200, BLM_AK_FDO_EIFO_GeneralDelivery_Grp@blm.gov. Avoid the area until authorization is given in writing to resume harvest operations. The disturbance, destruction or taking of any cultural, archaeological, historic, or paleontological objects/sites from public lands is prohibited by federal laws.

8. Harvest of Christmas trees in designated commercial harvest areas is not allowed. (Commercial harvest areas are marked with timber cutting boundary signs.)
