BLM Christmas Tree Permit Stipulations

This is part of your permit and must be in your possession when gathering and transporting Christmas trees upon public lands or roads.

1. It is your responsibility to ensure that the cutting area you plan to cut in is located on BLM administered public lands, and to have the permit with the special stipulations attachment sheet in your possession while cutting and transporting the forest products this permit authorizes.
2. Cut only in areas designated on the map as open to Christmas tree cutting.
3. One Permit per household.
4. Species available are Pinyon Pine, and Utah Juniper.
5. You are only authorized to cut trees 15 feet tall or less and a DBH on 8 inches or less when cutting Christmas trees
6. Do Not cut trees within Wilderness Areas or Wilderness Study Areas.
7. Do Not cut trees that have bird cavity holes or nests, or any trees located in areas designated on the map as excluding wood products removal.
8. Do not harass wildlife.
9. Do not disturb section corners, bearing trees, or mining claims.
10. All stumps must be cut to 6 inches in height, or less, on the up-hill side of the tree.
11. Trees will be tagged before being transported.
12. Leave all gates the way you found them.
13. Keep vehicles on existing roads in areas closed to OHV (off road vehicle) travel.
14. Equip all power saws with an exhaust system in good repair with a spark arrester consisting of a wire mesh screen with a maximum mesh opening of .023 inch. Each saw in use shall have a functioning fire extinguisher and shovel with it. The cutter (you) is responsible for having a fire extinguisher (5-pound capacity or larger), shovels and all other need fire suppression tools available for immediate use to you in the event an accidental fire start should occur.

The permittee and those accompanying them shall hold the USDI BLM harmless for any claims, loss, cost, injury, expenses, attorney’s fees, damages, or liability caused by or arising out of the exercise of this permit.
