Special Stipulations

Christmas Tree Cutting

These special stipulations are part of your permit and must be in the permittee's possession when cutting and transporting a Christmas tree upon public lands or roads.

1. Permits are non-refundable and non-transferable and are only valid on public lands administered by Bureau of Land Management within the areas specified on the map provided.
2. It is the permittee's responsibility to ensure they are cutting within the designated area and on BLM-administered lands.
3. Adhere to all instructional and regulatory signs posted on BLM lands.
4. After cutting a live standing tree, any remaining stump must be no taller than 6 inches.
5. Trees must be tagged immediately after cutting and remain tagged while transporting.
6. Motorized vehicles are not allowed off existing roads that are open to the public. Vehicles may be parked within 50 feet of an existing route.
7. The purchaser of this permit will immediately suspend and discontinue all operations under this permit when harvest will cause unnecessary and undue soil compaction or soil erosion within the harvest area due to poor weather conditions.
8. Cut trees must not be disposed of on public lands after use.
